## Turner Talk

### Reflections

I'm very proud of the holistic philosophy we live by at Turner Elementary. A lot of schools talk about integrating and exposing kids to a variety of subjects and activities beyond "the basics" but a quick glance at our school year verifies we are doing it. The following are a few of the thousands of great memories that happened this year.

Fiddling Lessons

Metal & Wood Shop  
Christmas Project

Cooking Class  
At High School

Math Incentive

Watercolor Class  
At High School

Portland  
Opera To Go

Science Days

Thanks to each of you for all the support. Enjoy the summer and we'll talk again soon.  
We're in this together!  
—Mr. Petersen
